

M E N U

TWG Tea connoisseurs travel across the globe, tasting harvests in a rigorous quest for the rarest of teas. In the process, TWG Tea has conceived over eight hundred blends of tea and tea-based products, emerging as a veritable tea innovator with the creation every season of new varieties of tea in collaboration with world renowned tea estates.

In our Tea Salons, we prepare our teas with great care. To preserve their flavour and aroma, we use pure, filtered water. The water temperature and the time of infusion vary according to the type of tea, and the leaves are removed before serving so the flavour and aroma of the tea remain consistent from the first cup to the last.

Welcome to the world of TWG Tea!

The Story of TWG Tea

Singapore was founded as a flourishing free port, an emporium, a veritable crossroads along the Eastern sea routes, where fine teas, coffees, cotton, sugar, pepper, nutmeg, cloves and even gold, were exchanged in the utmost liberty. The tea trade was made official in Singapore with the creation of the Chamber of Commerce in 1837, a date which TWG Tea honours as the commencement of Singapore's domination as the Far East's most illustrious trading post, a haven for celebrated tea clippers loaded with the most precious of elixirs. Fleets of junks from throughout the Far East would arrive with their rudders up, looking like shops, bringing chests of tea that were soon to grace tea tables around the world.

TWG Tea was established in Singapore in celebration of the island's great history as a trading post for teas, spices and fine epicurean products. The TWG Tea luxury concept incorporates an international distribution network to professionals, unique and original retail outlets and exquisite tea rooms. A veritable tea institution, TWG Tea is passionate about sharing their expertise and has become a point of reference for tea lovers thirsty for knowledge.

TWG Tea tasters travel thousands of miles across the globe every year, sampling hundreds of teas in search of the most desirable harvests direct from source gardens. Offering over 800 single estate fine harvest teas and exclusive blends, as well as tea patisseries and other tea infused delicacies, TWG Tea is internationally recognised as a veritable innovator with the creation every season of new varieties of tea in collaboration with the world's most renowned estates.

The TWG Tea team shapes the aesthetic image underpinning all the brand's products, constantly updating the notion of TWG Tea even as they respect the elegance and beauty of the tea traditions of the world on which it is based, now spiced with a touch of sensuality and originality.

TWG Tea welcomes you to enjoy
the finest teas of the world!
